OUR MISSION

We support breast cancer patients and their families by providing crucial financial assistance during their most challenging times. Our goal is to alleviate their fundamental financial burdens by ensuring they have:

GAS IN THE TANK

FOOD ON THE TABLE

CHILD CARE

BILLS PAID ON TIME

HOW WE DO IT

Our collaboration with the MUSC-Hollings Cancer Center enables us to distribute vital funds to breast cancer patients. Because “The Swing” is an all-volunteer charity, \$0.95 of every \$1.00 spent goes directly to a patient’s needs. In 2025, we were able to raise over \$700,000 through the generosity of our partners and donors.

ABOUT US

Roughly 1 in 8 women in the US will develop invasive breast cancer in their lifetime. Men represent .5-1.0% of all breast cancer patients. Studies have shown that recovery success rates are significantly higher when patients receive funding to address food and other essential care issues. Our founder witnessed this need firsthand and through her vision, “The Swing” was created.
